Re: Custom AR15 profile 17HMR barrel

Dear Mr. Marty (or Derrick),

Enclosed is check # 4811 in the amount of \$200.00 as a deposit for 17HMR barrel that we spoke about on the phone.

BARREL SPECIFICATIONS:
AR15 M4 Profile
Lightweight under hand guards
Step down for M203
16.1" Overall Length
Threaded for standard A2 Flash Hider
Stainless steel matte finish
Flat black duracoat or equivalent.
Ciener breech/bolt interface
Match Grade breech
Match Target Crown

Hopefully the above description is adequate enough. Please excuse any imprecise terms, as I am not an expert in custom barrels.

I am basically looking for a super accurate 17HMR in the AR platform that will perform as good or better than Volquartsen's barrel, and will mate up with the Ceiner conversion.

If you have any questions please feel free to contact me at the following numbers:
